If a maximum field size is established, entries shall be accepted in order of receipt.

5. Format of Play

The competition shall be played over two (2) consecutive days.

The format shall be announced prior to the opening of registration. The Board reserves the right to modify the format due to field size, course conditions or weather.

The competition shall be played in a form of Stroke Play from which a Stableford score is calculated. The intention is to play 18 holes each day.

Where team competition is included, the format shall permit both team results and individual Stableford results.

6. Teeing Grounds

In the Stableford competition, players may choose to play from:

- Red tees, or

For the Gross Prize:

If the course has not designated red and yellow tees, the Board or a Senator appointed by the

Board (Captain) shall determine which tees shall apply for women and men respectively.

Participants aged 75 or older may choose to play from either the yellow or the red tees.

Such determination shall be communicated in due time prior to the competition (no later than

two (2) weeks before the event) and reiterated at the time of the competition.

Use of golf carts (buggies) is permitted for players with age-related or medical limitations, subject to availability and approval by the Board or the Captain.

If the number of available golf carts (buggies) is limited, the Captain shall determine the order

of allocation. Participants must declare their interest in using a golf cart at the time of registration.

7. Handicap

The Handicap Index used shall be the player's WHS Handicap Index at the start of the first round.

The Handicap Index must be declared at registration. Adjustments may be made no later than

two (2) weeks prior to the competition and must be submitted to the Board or the Captain. Playing handicaps shall be calculated in accordance with the Rules of Golf and recommended

handicap allowances for the selected format.

The Board may verify any declared Handicap Index.

8. Teams and Flights

Country Cup teams shall consist of three (3) players, all Senators from the same country.
